Have you ever felt that life is more like a battle than a picnic?

In fact, Jesus doesn’t promise that we won’t have trials and challenges; instead His words prepare us to face those battles, to fight with all our heart and mind, and to find rest in Him at the end of the day.

In any battle, we need to put on the full armour of Christ – this year our **“Something Beautiful”** women’s retreat will help you be prepared and strengthened for the days ahead.
